# CORPORATE SOCIAL
RESPONSIBILITY

Systems Limited (SL) believes in giving back to society and empowering the underprivileged to thrive economically and socially. We have undertaken multiple projects that support the welfare, education, and rehabilitation of those in need

systems

Enabling a digital tomorrow

Healthcare Support

Systems Limited carried out multiple zakat and donation drives to cover the medical expenses of several underprivileged patients with life-threatening illnesses. Over the years, we have worked with the following healthcare providers and charitable organizations:

Aman Foundation
Arthritis Care Foundation
Child Care Foundation
Jinnah Hospital Patient Welfare Association
Shalimar Hospital
Shaukat Khanum Memorial Hospital
Sundas Foundation

Pink Ribbon breast cancer awareness campaign

Systems Limited collaborates with Shaukat Khanum Memorial Cancer Hospital (SKMCH) to run a campaign that raises awareness about breast cancer and its preventive measures. Every Ramadan, we carry out a donation drive with SKMCH to collect funds for cancer treatment and awareness.

Systems Limited Dost Fund

The Systems Limited Dost Fund supports employees in need, irrespective of their background or designation. The fund provides financial assistance for medical bills, tuition fees, marriage expenses, and similar circumstances.

Employment of differently-abled people

At Systems Limited, we value people's skills and knowledge. We believe in providing opportunities for the physically challenged. After selection, candidates are given proper equipment so they can work to the best of their abilities. Systems Limited is proud to have differently-abled male and female employees working in diverse roles, and we will continue to provide deserving individuals the chance to earn a livelihood with dignity.

Education support

Systems Limited has a keen interest in supporting education. We are proud to be a sponsor of The Citizen's Foundation (TCF), one of Pakistan's leading organizations for the advocacy of education for the less privileged. We have provided year-round financial support for dozens of deserving students so they can have a safe, creative, and progressive learning space. Systems Limited has also donated laptop computers and other equipment to charitable organizations that help train disabled and underprivileged individuals.

About Systems

Systems is a full-service technology consulting and business process outsourcing company. We deliver digital solutions and services to help our clients increase agility, control costs, and reduce business risk. We help you execute on your vision using enabling technologies and the industry's most stable global talent pool.

Systems' 40-year track record of successful delivery and production-ready solutions help our clients accelerate time to market and gain a competitive edge. Our strengths include ERP, business applications, data & AI, collaboration, eCommerce, mobility, and enterprise integration.

Systems has engineered high-performance, cost-effective solutions for some of the world's best-known companies in banking, insurance, retail, consumer goods, supply chain, distribution, manufacturing, and other industries. We excel at delivering value and exceeding customer expectations.
