Bank of the future Forum 2024

Banking Modernization in the era of AI

BOFF is back for its 13th edition this year, bigger & better than ever. Systems Limited and Temenos are all set to host one of the largest banking and financial conferences, uniting industry leaders once again in October 2024 in Karachi.

BOFF welcomes over 500 C-level executives from Banks and financial institutions, regulators, fintechs, investors, analysts and media with the mission to foster an open dialogue on the upcoming banking technology trends.

This engaging and open forum gives the attendees a unique opportunity to support digital innovation, initiate ideas, stimulate global collaboration and connect with the growing number of banks looking for digital transformation.
